

Pillsbury™ Ready to Serve Breakfast Entree's

Items that require very minimal back-of-house preparation

Whether you're serving patients at a hospital, or residents at a Retirement Living or Long-Term facility, we want to thank you for continuing to care for and feed those in need. We are thinking of you and appreciate your hard work and dedication. In an effort to offer help and support for all that you do, here is a round up of ready-to-serve breakfast entree's that require less preparation and handling for your staff as you find new and safer ways to feed patients and residents.

Griddle Classics

Classic griddle items like Pillsbury™ Mini Pancakes, Mini French Toast and Mini Waffles are perennial favorites among patrons. Made with no artificial flavors or colors from artificial sources!

In the cafeteria or on-the-go, patrons love these delicious, wholesome, warmable breakfast products.

New Chocolatey Chip Explosion!

LOW PREP

Items that require very minimal back-of-house preparation

Individually Wrapped Frozen Breakfast, with a Twist!

Easy, delicious items that surprise and delight—with just enough familiarity to keep patrons comfortable.

The taste we love, the ease operators need

"In the midst of COVID-19, we know how crucial it is for you to find easy solutions to keep on feeding your patrons. The Pillsbury ready to serve breakfast line is a great way to delight your guests while focusing the labor you have available on other important tasks. With only a couple simple steps, you can take these frozen items and serve them to warm your patient heart with the comfort of food they know and love.

—Chef Gilles Stassart
